**HMH Community Health Fair!**

On Saturday, May 30th, our CONNECT Team was proud to be part of Hamilton-Madison House's Community Health Fair! Our Community Liaison helped organize the event, and team members from across Behavioral Health were on hand to connect with neighbors and share about our programs. With over 250 attendees, the day was filled with live music, dance performances, raffles, a tai-chi session, and a delicious lunch from local businesses. A special highlight: our Art Therapist led a hands-on art activity for kids and families that had everyone smiling.

El sábado 30 de mayo, nuestro equipo de CONNECT tuvo el orgullo de participar en la Feria Comunitaria de Salud de HMH.

Con más de 250 asistentes, el día estuvo llena de música en vivo, presentaciones de baile, rifas, una sesión de tai chi y un delicioso almuerzo ofrecido por negocios locales.

Un momento especialmente destacado fue la actividad artística interactiva dirigida por nuestra Terapeuta de Arte para niños y familias, que logró sacar sonrisas a todos los participantes.
